November 2024 Newsletter

Administrators Message

November 2024

Dear Parents/Guardians,

Welcome to November, the season of change. As we reflect on the fall, we hope it was terrific and fruitful for you, whether enjoying the

fall colours or finishing the harvest. The colder weather brings challenges, so please update the bus apps and look at your email to stay informed about bus delays or cancellations. Also, remind your children of the importance of dressing for the weather, especially if they are transported by bus to school or are walking. Our doors will continue to be opened at 8:20 am with supervision starting at 8:15 am.

November is full of activities and events. Please see your child's Teachers Week at a Glance for events and check out our school website. Of note are Parent-Teacher Conferences on November 6th and 7th from 4 pm-7 pm. Your child's teacher will send information regarding signing up in their week at a glance.

Middle school athletics also has a full month, with Volleyball playoffs beginning, our curling club getting into full swing, and basketball starting at the end of the month. Be sure to visit our school webpage and calendar for more information. Go, BEARS!

As we finish out November, our school will shift towards the season of Advent as we prepare to celebrate the birth of our Saviour, Jesus Christ. One of St. Marguerite's traditions is our school's Advent Concert, which will take place on December 3; please mark your calendars. As we prepare for this, our school will undertake several different Faith activities to understand the significance of Advent in our faith tradition and how we can serve our community during this season.

We look forward to seeing and hearing from you at the school as we continue into November. It promises to be a full and exciting month!

Many Blessings to you.

Stefan
